.....
.....
.....
hey
why are you not responding? he's accusing you!
hey! wait a moment
I... I went back to my room after meeting you at the diner but I saw pekoyama on my way to the hotel
s-so she didn't come to the diner from the beach house!
don-
don't keep quiet, say something!

kuzuryu what you said just now is weird
didn't you say that you saw no one on your way back? are you going to go back on that now?
kuh...!

it's not over yet! it's still too early to say that she's the culprit!
we don't even know how the culprit managed to get out from the beach house!
the tunnel-side door was blocked and there were no other footprints on the beach, so neither way is possible!
then how did the culprit escape?!
um
why is fuyuhiko so angry? the one who's being accused is peko, right?
do-
don't mind something like that! asnwer my question, if you're able to!

if it could be neither the tunnel-side door or the beach-side door ..
then it could only be the window in the shower room ...
heh
don't you know how high that window is? there's no way pekoyama could reach it..
maybe
she used some kind of tool, like a rope?
and what did she do with the tool once she's out? don't tell me she threw it out!
and i've already told you the rules on this island
throwing garbage and damaging the environment is forbidden
..but pekoyama didn't have to leave the tool there to escape

...
she must have used her shinai and her sword bag
then she used her shinai as scale and escaped from the window after that she just had to pull the bag to retrive her shinai
first she tied the bag's cord around the sword
wow she must be a japanese ninja!
sonia-san ninjas only exist in japan!
she used her shinai as scale!? is she a ninja?
ninjas can walk on air! they lean their sword on the wall and climb up stepping on the guard

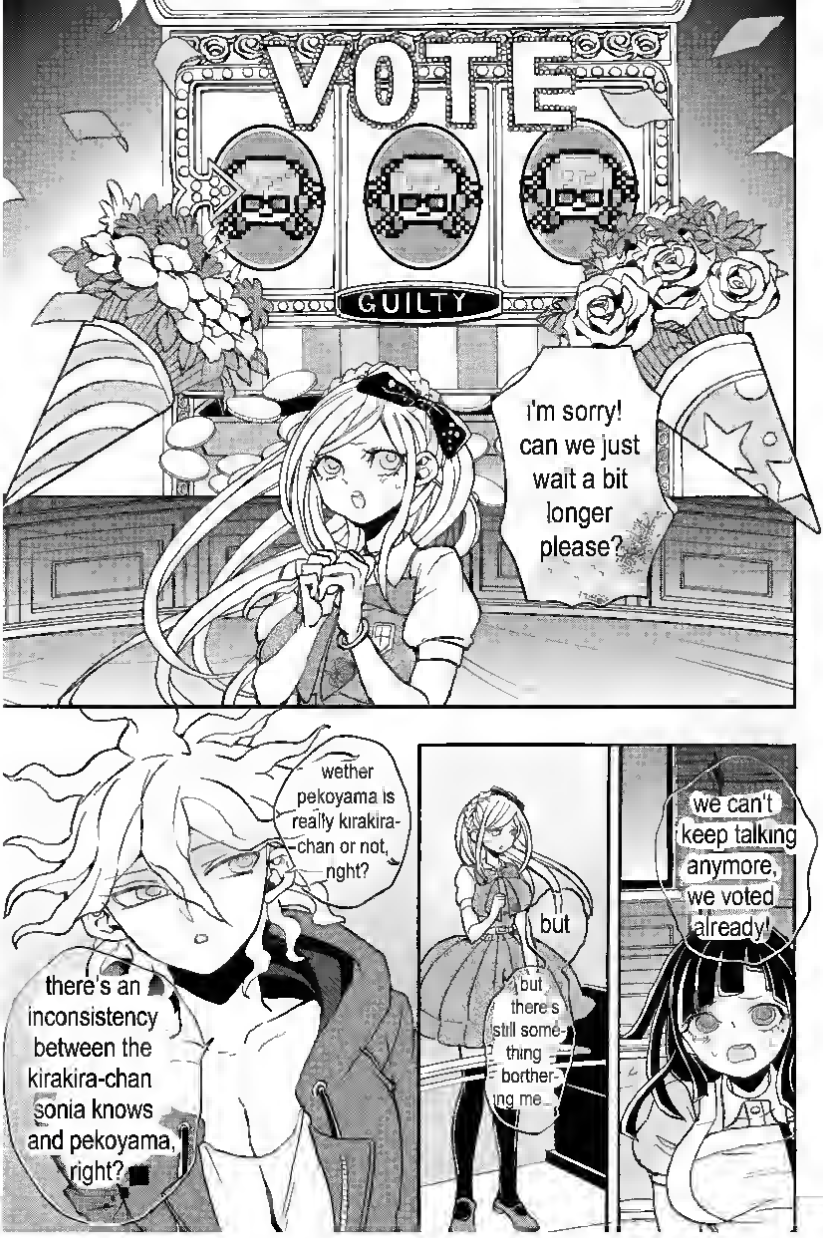
tsk-! leave us alone already!
it's such a shame... if i helped in this plan, it could be even more successful
only pekoyama who never parts from her sword, could perform a trick like this!
you could say it's SHSL swordswoman trick!!
pekoyama... do you have anything to say?
...
it's useless keep talking any further you can start voting...
w-wait! do you have any evidence?! i won't aknowledge this with no evidence!
... that's enough
!

since you admitted your crimes, let's finish it already! let's start voting!
"the cherry blossom among flowers and the samurai among men" i acknowledge you
she confessed that easily..?
ah, wait a moment
at the end you aren't related to that game at all, right?
then why did you kill koizumi?
sh-
shut up..!
that's why i have to fight! i have to keep fighting for justice!
t-this... could it be...?!
it's for a noble cause
it's for this world's justice!
justice must never stop shining and it will guide my existence!

imbued with the very essence of justice, and lay bare the ugly entrails of evil
the time has come to don this mask
JUS
TICE
COMP
LETE!
piercing the very night itself with the shining light of justice's brightest star!
i am "kira kira-chan"!
(^ ^)
peko went bonkers!
uuuuu uuuuu ugh...
WHAT IS THIIIIIIS ???
w-
w-wh-
wh-wh-wh-
s-stop it already

it should be like this...
who hunts criminals everywhere wearing various hero masks...
kirakira-chan is a senal kiter and a self-proclaimed warrior of justice!
be careful, everyone!
i told you to shut up!
to protect the truly important things, you have to throw away unncecessary things!
(*´Д*)ノ"彡☆
listen, you guys
i'm kirakira-chan, the nghtful wielder of the shining light of justice!
(￣+￣)
i'll say this frankly i want you guys to sacrifice yourselves in order to let the justice i embody survive
(｀･ω･´)
i just got nd of the accomplice of a murder, who was hiding around like a rat
i did nothing to be ashamed of
(￣∀￣)=3

monokuma, let us vote! start the voting now!
if...
if we forgive peko now, we will all die!
a-
are you kidding?! who wants to die for someone like you?!
ah! he finally woke up!
uh...
uuuuu uuuh...
ah uhm...
but, b-before voting
VOTE
GUILTY
well then, press the switches in front of you to vote
i heard it! no... actually i wasn't listening at all



VOTE
GUILTY
i'm sorry! can we just wait a bit longer please?
wether pekoyama is really kirakira-chan or not, right?
there's an inconsistency between the kirakira-chan sonia knows and pekoyama, right?
but
but there's still something borthering me
we can't keep talking anymore, we voted already!

an inconsistency...?
when sonia told us about kirakira-chan's catch phrase she said that she had translated it from the original language, right..?
really...?!
she translated it... so the original language isn't japanese?
that's right! what i saw was a spanish magazine kirakira-chan is spanish too..
which means... pekoyama can't be kirakira-chan!
if you insist that you are kirakira-chan... can you repeat those lines in spanish?
can you do it?

哼
but it's fine... i don't need this anymore ...
afterall, even if you've realized it, it's too late. i've already done my job as "tool"
seems that... it's time to take off this mask...
what's done? why is it too late?
wh- what do you mean ?
what's the meaning of that..?
a tool..?
i am just a mere "tool"
i mean that it's all over

if pekoyama is a tool... it means that there's someone who is using this "tool" right?
hmph
that's right... a mere tool can't act by its own
i see... i finally understand now
but i already suspected so...
hinata-kun
the first one to discover the body was souda and you ran to the crime scene soon after when you heard him screaming and the body discovery announcement, right?
ah ...
yea, i'm sure it was like that...
c-could it be!

there's still one person missing.
however, in this case, the culprit pekoyama isn't included in that "3 people" which means that only saionji and souda have discovered the body
that announcement is made after three people or more discover the body
what's more, monokuma also tried to hide this truth from us... it might be an important clue
for example... there might be an accomplice
no, that's wrong
huh? it's not right?
yea, the whole reasoning itself is wrong
i'm nothing but a tool wielded by "that person"

that person ...
the one who had the strongest motive in this incident, right?
kuzuryuu... is it you?
